President's Message

Nominations and voting for next year's board will be taking place at this meeting. If you want or are willing to join the board please speak up. You can be someone

new to the chapter's board or someone that was on the board in the past and who would like to become involved again.

Our September general meeting is scheduled for September 15th at Marie Callender's in Ventura. Our speaker will be Mark Lunn, Ventura County Recorder. Mark will be joined at the meeting by David Venezuela who handles real properties items in the recorder's office. They will be going over the recordation process for Parcel maps, Tract maps and easements now and in the future.

The next five months will be a busy for our chapter. We have general meetings set up for September, October, November and January and the speakers are booked. Please see the 2011 Speakers listed in this news letter. All these meeting are set for the 3rd Thursday of the month and the meeting location for all three fall meeting is the centrally located Marie Callender's in Ventura. We also have our annual Christmas Party and Installation dinner set for Thursday December 8th.

The 2011 Channel Islands Chapter Picnic was once again a big success! The picnic was held at Bob Kildee Park in Camarillo. We had another great turnout with over 30 people in attendance.

President’s Message (cont)...

(Continued from Page 1)

The meal was once again prepared by the Past Presidents Committee. The BBQ meal was prepared on site and included tri- tip, chicken, beans, garlic bread and fresh corn. I would like to thank the Past Presidents and all the other volunteers for all their hard work.

The events included a remote sensing competition, pacing competition and the always famous hub-driving competition. This year’s hub-driving competition came down to a “Hub Off” between Frank Sobecki and Wayne Battleson. In the first round we ended up with a tie, so we had to have the “Hub Off” to determine the winner! Congratulations to our winner Frank.

Thanks also goes out to Lewis & Lewis for always supporting our chapter and providing great gifts for this year’s Survey Olympics and raffle winners.

I look forward to seeing you all at the upcoming meetings.
